*Giving Kids a
Brighter Future*

Another year has come to meet us! We are believing God for a great year ahead!

Our Christmas program titled, 'We Are a Chosen Generation,' was a great success. We had a fantastic turnout, the children did so well. Special thanks to all who supported this event! Prior

to the big event, Children of the Light (CotL), went on tour to FOCOS Orthopaedic Hospital and Chance for Children and gave them a preview of the big program. We received a warm welcome from both places and had a day we will never forget. To God be the Glory!

This year for the first time, Children of the Light put together a school bag and football drive. Our motto for this was, 'THE MORE WE HAVE THE MORE WE GIVE'. With what we received, we were able to give over 100 children a Christmas parcel and on top of that, we gave three of the best footballs received to a local football club called, 'Action Boys'. Many smiles were seen at Christmas. Thank you to all who helped us touch a child's life. God Bless You!!!

WE ARE A CHOSEN GENERATION!!!

CotL started 2015 in a great way as Nicole and Wynand Hamilton, South African/Australian, climbed Kilimanjaro - the highest mountain in Africa and the highest free-standing mountain in the world - 5,895 metres above sea level. At the Uhuru Peak, the highest summit, they held up a CotL banner. They started the climb Dec. 28 and finished Jan. 4 (6 days up and 2 days down).
Congratulations Nicole and Wynand, by God's grace, you did it!!!

(left) Patience Akunduo, a CotL staff member, left last week to visit a village 2 hours after Sandema in the Upper East Region of north Ghana. Patience is reuniting with family and reaching out to many; her bags carried many wonderful items to give.

Work continues on the site, we now have road access, plumbing pipes have been installed and almost half of the land is walled.

We now have a FLYING FOX! Thanks to Tony and Courtney Davis, Wynand and Nicole Hamilton, Nana Kwafo and Samuel Mensah, Kwadjo and Silas Opoku and all the children who were the first to try it out.

Special thanks to
